Covid information

Travel to Norway and national recommendation and rules

The Norwegian Government is removing all regulatory measures against COVID-19, including the requirement to wear a face covering, keep a 1-metre distance, and the duty to go into isolation when people are sick.

Leaving Norway

You will need to familiarize yourself with the general travel advice for the country you are travelling to. See [Re-Open EU](#) for updated information on EU countries' rules and restrictions.

Plan ahead and make sure you:

- Understand what your travel and health insurance will cover.
- Can make arrangements to extend your stay and be away for longer than planned.
